THE SHOW IN CENTRAL TIME.**

ADDENDUM for 1st QTR- 2010

This certification is in addition to the attached list for the FCC's Issues/Programs Report for this quarter. WCLF TV-22 routinely produces and airs approximately 190-198 hours of programming each quarter, which helps to educate people in skillful, purposeful- living, in addition to those already listed in this quarterly report. These meaningful programs help one to manage life's issues, are based on Biblical principles and precepts, and are accomplished through a live phone-in program.

“You & Me” is aired live each weekday night (from 12 Midnight to 3:00 AM) with the host answering questions, offering advice, and involving other callers in recommending guidance and discussing and praying for a variety of topics. Issues covered include: family relationships, race relations, women's issues, health, community ventures and co-ops; teenage issues; as well as financial advice, adult education, substance abuse – prevention – recovery; soup kitchens, homeless ministries, and help for impoverished people. The hours that the program is aired has shown to be an ideal time to help the lonely, the hurting, those that are distressed, dejected and struggling.

“You & Me” is not scripted and therefore usually has no format, and as you might imagine, it would be cost prohibitive for us to tape record and save each three-hour presentation. Taped programs are used only in an emergency, when the “live” host could not make it to the studio and a guest host could not be summoned in time. I'm sure that there are many other categories I have failed to mention, as on certain occasions, the host will select a specific theme for that night.
